Sitting In the Evening Sun . . .

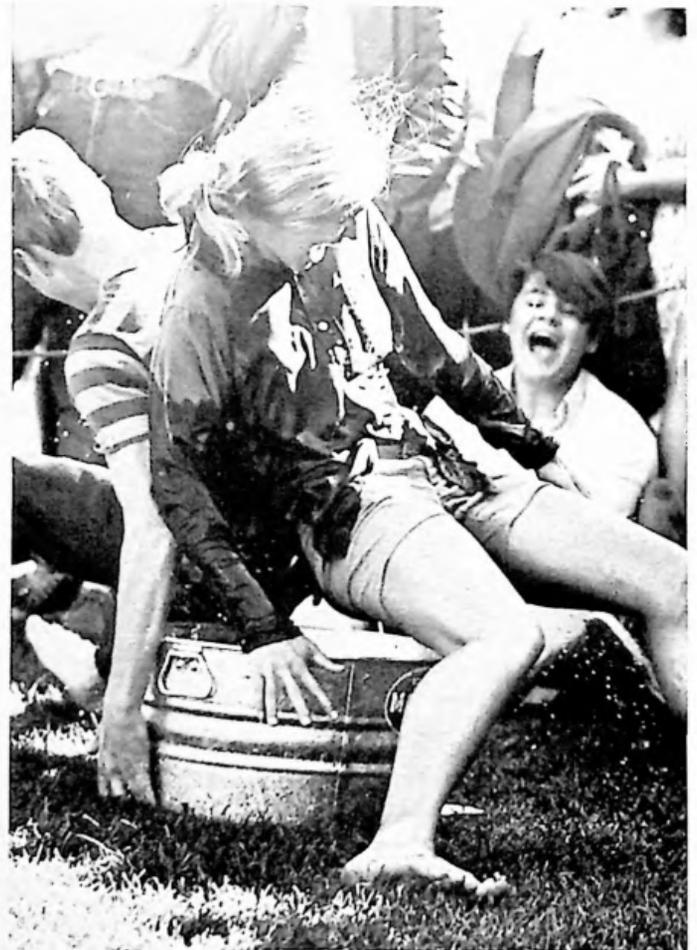

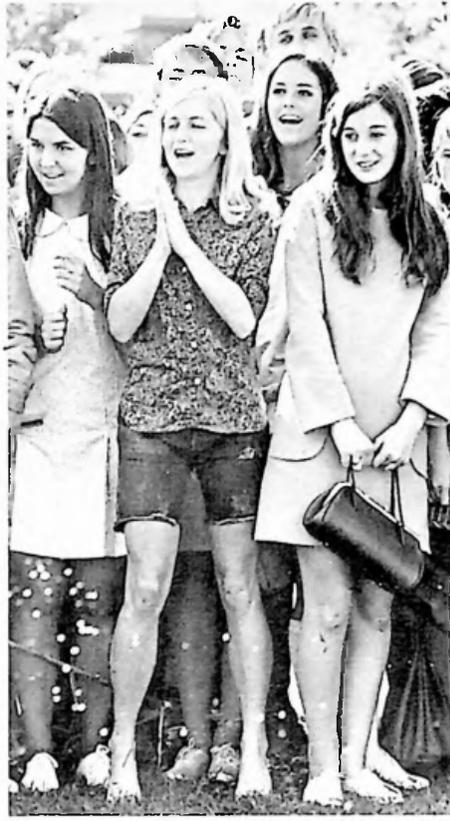

"Dock o' the Bay", Otis Redding's song, provided a theme for a most successful Junior Prom, which featured the music and vocal talents of Sonny Lewis and the Executives. Decorations chairman Lynelle Prince and Alane Powell transformed the gym into authentic San Francisco settings representing scenes from North Beach to Golden Gate Park to the Fleischacker Zoo. Couples entered the Prom over the Golden Gate Bridge, which had been engineered by the construction committee headed by Bill Rawson. A fountain of sparkling punch flowed from billowing clouds of San Francisco fog while hostesses served cake and cookies; Cathy Gedney was the refreshments chairman. Bids and publicity were handled by Debbie Saunders and Debbie Wiegand respectively. Class vice-president Rod Fox successfully co-ordinated this year's Junior Prom.

With Spirit Week came numbers of diverse events exposing a positive side of student unrest. Uninhibited students participated in various forms of contest, cheered on by animated spectators.

The XIV Olympiad

Miramonte's Fifth Annual Football Festival culminated weeks of anticipation, planning and hard work. The evening, highlighted by the crowning of Swedish beauty, Barbro, saw the Senior float capture first place honors and the Junior float deliver a knock-out blow to their princess, Gay Worth.

"Bet you can't guess what this is ... fried bread!"

"That's the sort of man I am—not size, but quality!"

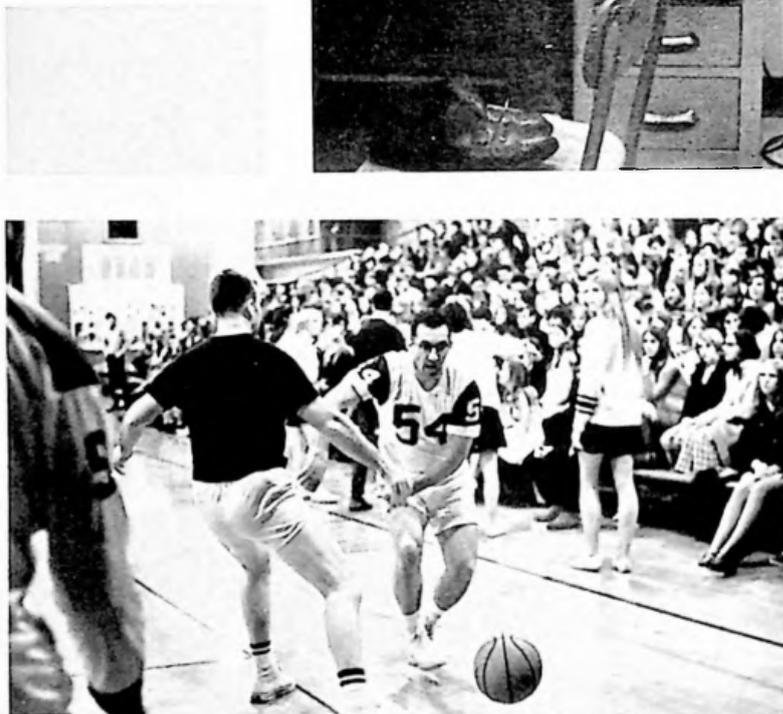

"Champagne we had that night ..."

Mrs. Hess, our new drama instructor, very ably directed Harold Pinter's **The Birthday Party** given as the All School Play in November. The play, of the Theater of the Absurd, deals with the concept of an individual against society. Watching this particular play was a new experience for a high school audience. We were often amused, sometimes confused, but always very appreciative of the exceptional performances given by each of the six members of the cast.

Aging Hoopsters Support McCarthy Fund

Campolindo's faculty evened the score this year as they defeated Miramonte's faculty in the annual benefit game for the Brian McCarthy Memorial Scholarship Fund. The final score was 52-46. Miramonte looks forward to another year when a rejuvenated team will bring the victory home again.

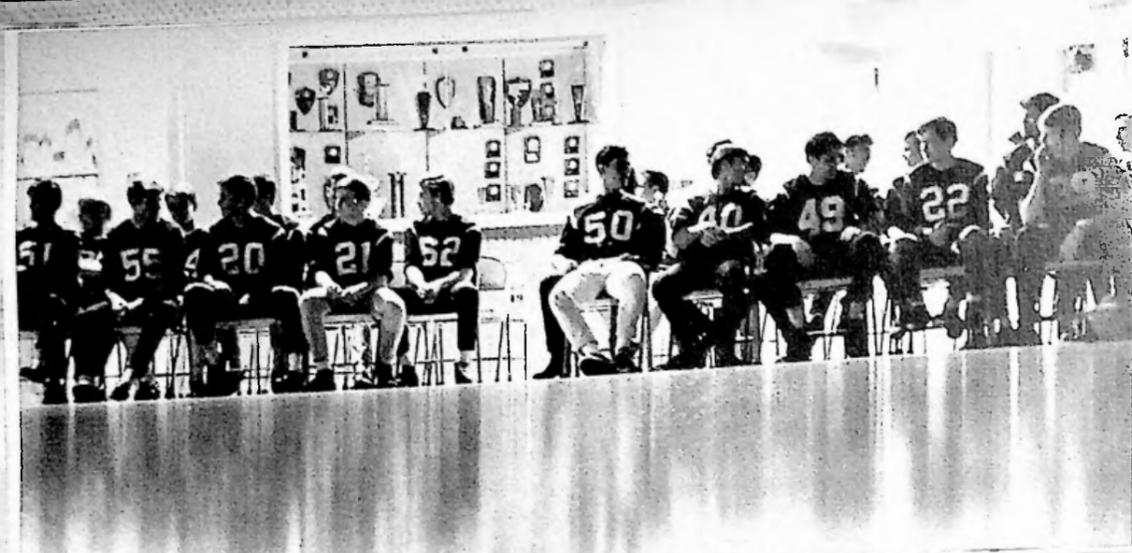

Donkeys Prove Four Legs Better Than Two

It is rumored that the Juniors won their Donkey Basketball Game this year. However, we cannot be certain of the outcome, since no member of the Yearbook Staff attended that dubious encounter.

We are indebted to Ron Hildebrand, staff of '66, for his wide aperture, telephoto, 2475 pictorial record of this outstanding event.

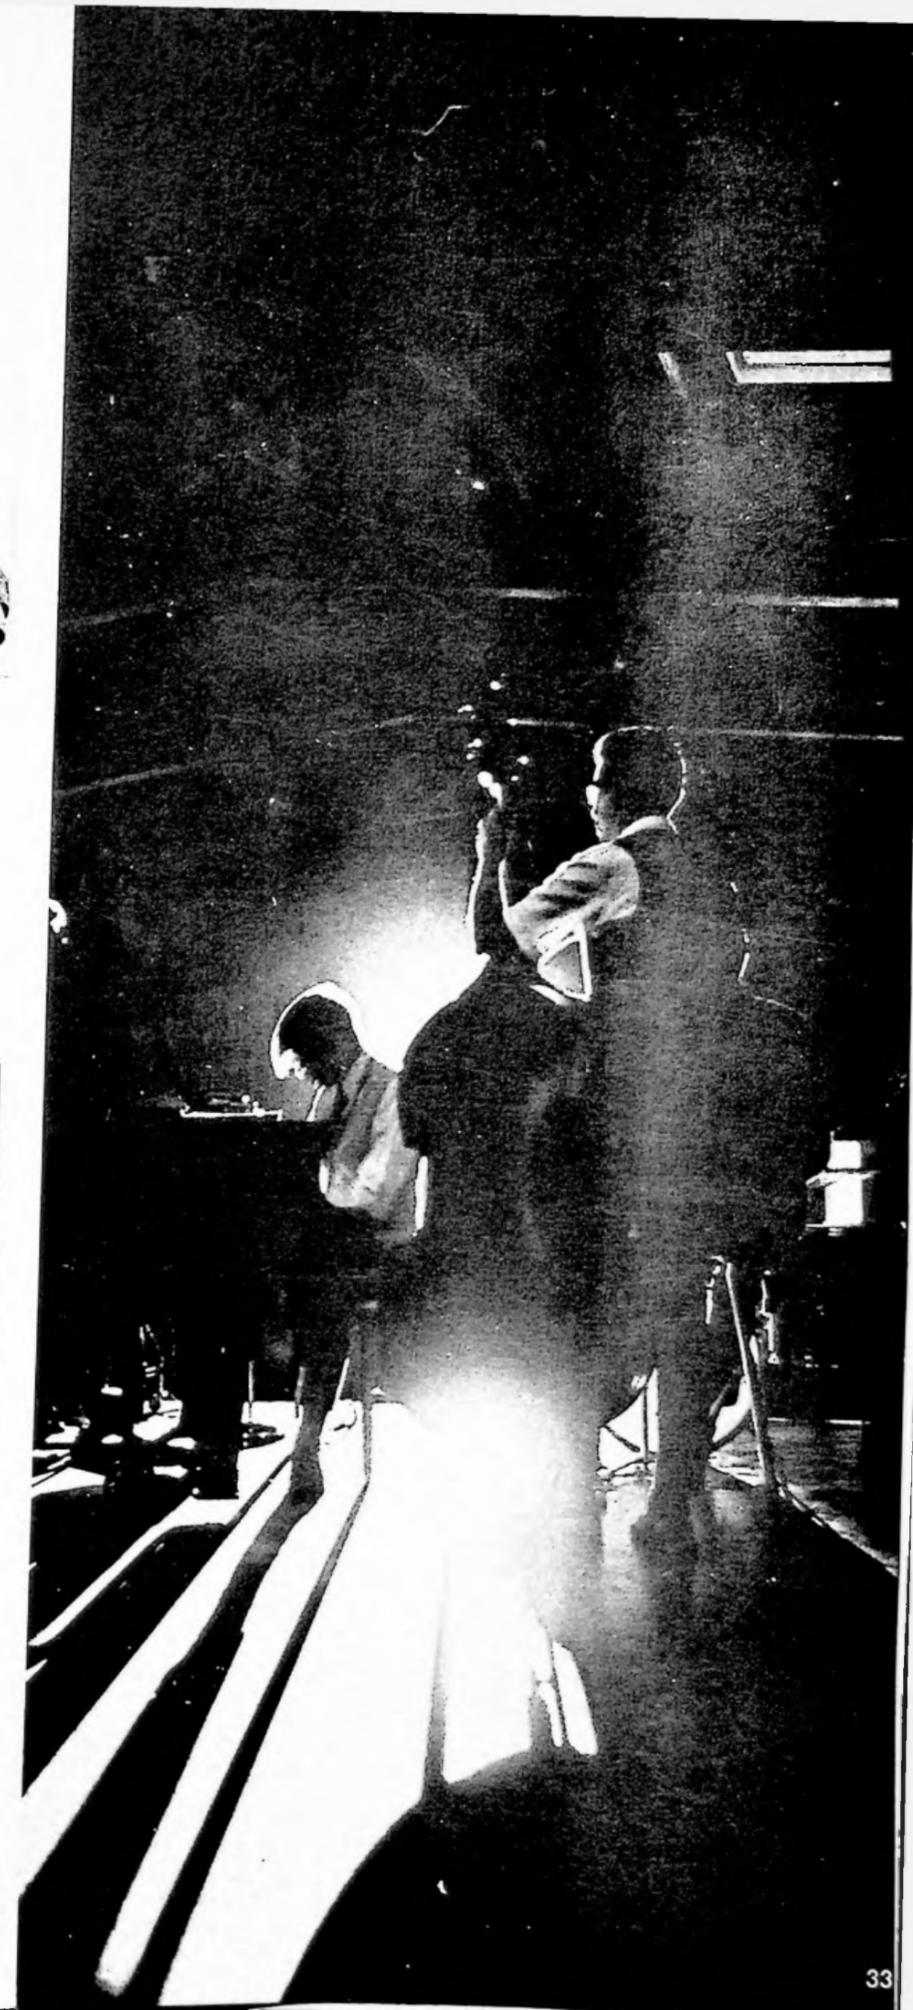

Assemblies Are a Welcome Break

Vice President John Armstrong deserves credit for the excellent assemblies we've had this year. Ranging from the controversial Committee Workshop to the more conservative FIC Talent Show, a wide variety of programs has been presented.

Comedian Bernic Burns entertained students with his jokes and mysterious harmonicas. He captivated an audience that found it hard to leave when the scheduled performance was over. Dr. David Smith of the Haight Ashbury medical clinic spoke about the social implications of drugs, answering student questions as part of his program. The Committee Workshop presented an improvised satire on political and social conditions. Although some members of the audience and the administration found the performance in poor taste, the student body as a whole gave the committee a standing ovation.

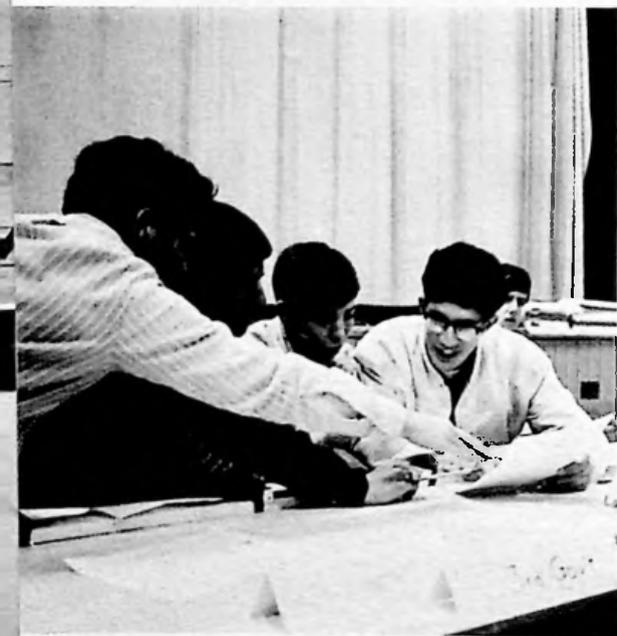

Things Go Better With MAD

An exciting new idea has taken shape at this school in the form of Miramonte Activity Day. Students participate in the development of an afternoon program of discussions and demonstrations not usually offered during a school day. Hard-working Chairman Diane Jonte and her MAD Committee successfully organized a fall and spring MAD. Offerings arranged by students included a film festival, an enameling demonstration, the thought-provoking inter-nation simulation game, and a field trip to the de Young Museum, among many others.

Because of enthusiastic student response, an additional MA Day was organized in May. Most discussed event of the day was an inflammatory speech on Communism, which proved to be a put-on.

Hale Kicks Off Another Season

1968 was a year of frustration and disappointment for a highly rated Matador Varsity. After two resounding victories to open the season, the Mats lost two in a row, largely because of early mistakes. Three interceptions by Acalanes in the first half halted Mat drives; then a week later, on two consecutive drives against Monte Vista, Mat ball carriers fumbled within ten yards of paydirt, and our high East Bay rating plummeted. The highlight of the remainder of the season was the 39-0 trouncing of Los Lomas in the Festival game.

Co-Captains Jim Horning and Larry Reid were among the All-League selections from Miramonte, a tribute to their leadership as well as to their football talents.

Miramonte's Varsity Cross Country team finished in third place in the F.A.L. in 1968. Standout performances during the season included consistent first or second place finishes by Team Captain Steve Campbell, a first place for Don Heapes against Las Lomas, and a come-through performance by Wade Mart for second place against challenger Alhambra.

At the League meet, Steve Campbell finished seventh, with Dave Wight right behind him. Then in the North Coast Section meet in competition with the top five varsity teams from four leagues, Dave Wight finished twelfth and this year's super-soph Charlie Hansen also finished in the top twenty.

In 1968 for the second successive year, Miramonte's Varsity Water Polo team remained undefeated in League competition. The team also defeated two college teams, including the Cal Frosh team, in pre-season contests. Largely due to the efforts of Coach Brown, the team participated in a post-season invitational tournament with more than twenty of the top northern California teams. By winning two of the four games they played, the Mats placed seventh, an outstanding position for a team from a school where water polo has only been played for two years.

Team captain Pete Schnugg, High School All-American and top scorer in the F.A.L., was a unanimous All-League selection, and provided the leadership which made Miramonte a championship team.

Joining Pete in the All-League ranks were Junior Randy Williams, second leading League scorer, and Sophomore Jon Svendsen, both for the second year in a row. Juniors Rick O'Hare and Steve Patching received Honorable Mentions on the All-League team.

Missed It By . . . That Much

"That much" was the one game that separated Miramonte's Varsity basketball team from the F.A.L. Championship in 1969. The Mats proved they were the best in the League, defeating first place San Ramon by 26 points in the final encounter of the season. But inconsistency marred the record with losses to lower-division teams. An early loss by only one point to Del Valle and second round loss to last-place Monte Vista cost the Mats a first-place finish. The heart-break of the season was a double-overtime two-point loss to San Ramon due in part to two controversial calls by the referees in the overtime periods.

The season had its good points, highlighted by the destruction of San Ramon in the second game. Outstanding individual performances resulted in single game point outputs of 25 for Bob Bahme, 21 for Dave Wallace and Pete Schnugg, and 17 for Steve Hale. The back court of Pete Schnugg and "quarterback" Bob Billings led the team in assists and co-ordinated a fine team effort. Pete Wolfe and Larry Reid provided depth and muscle when they were needed.

At the end of the season the team voted Bob Bahme Most Valuable Player; Bob Billings, Best Defensive Player; and Pete Schnugg and Steve Hale, Co-Captains. For his fine performances in the Aker Tournament, Pete Schnugg was named to the All-Tournament team.

The League showed its respect for Miramonte's Varsity by placing four Matador players in the All-League teams. Bob Bahme made first team; Pete Schnugg made second team, and Steve Hale and Dave Wallace received Honorable Mentions.

Coach Tom Blackwood is looking forward to next year when he will be working with the products of the championship J.V. and Frosh teams coached by Bill Brown and Bob Harris. Thanks are due to Chuck Gedney, this year's competent manager.

Pin Victory to the Mats

The 1968-69 Varsity Wrestling team was the best ever seen at Miramonte. The team's fine record was due to the efforts of the entire team. As a team the wrestlers won three of the four tournaments they entered, the Hollister, Del Valle, and Overfelt Invitational Tournaments. They also placed fourth at the Cal Poly tournament, there competing against the top teams in northern California. The team also went undefeated in F.A.L. dual meet competition, winning the League championship, then going on to win their North Coast Section II meet, and had four wrestlers place high enough to qualify for State competition.

Many outstanding performances highlighted the season, such as Steve Snow's come-from-behind win against Acalanes to clinch the League championship. Several wrestlers received post-season awards for their achievements. Team Captain Chuck Manuel won the Brian McCarthy Memorial Wrestling Award. Bob Sage was picked as the outstanding wrestler of 1969. Bob was also Super Sport of the Week and won the Elks' Club Outstanding Wrestler award. Jim Horning placed in every tournament, often wrestling above his weight class. Roger Lyford and Casey Manfrin also performed consistently throughout the season. Jim Horning and Roger Lyford placed fourth in their respective weight classes in the State meet. The team received the Rotary Club Undefeated Trophy for their League record.

Fast Movers!

Girls at Miramonte have the opportunity to participate in many different sports after school. Fall sports include hockey, tennis, and swimming. During the winter, girls are enthusiastic about basketball, making this game one of the most popular girls' sports at Miramonte. Spring sports include baseball, volleyball, and badminton.

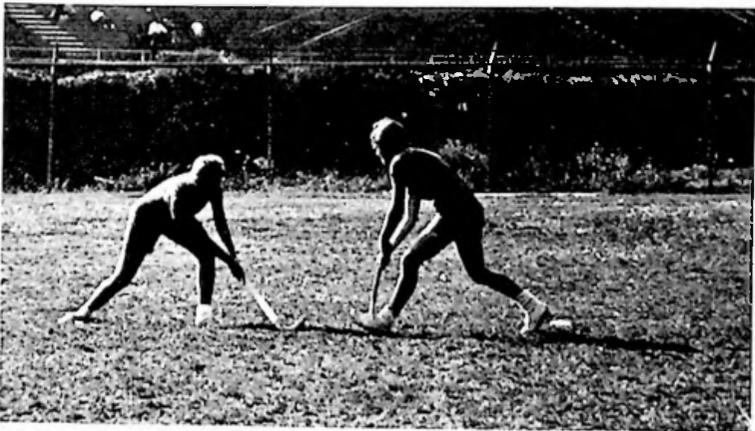

The able supervision of sponsors Miss McPheeters, Miss Neff, and Mrs. Berris helps all interested girls achieve personal satisfaction in sports.

This year Miramonte boasted a fantastic girls' basketball team. The girls had a record of 7-1, winning by an average of 23 points per game. The team also took second place in the Del Valle Basketball Tournament held in March. Congratulations to Cathy Sodestrom, the high point scorer of the season.

Senior Council Dreams Up A Successful Year

Every Wednesday morning senior officers, Reps, Advisors, and various committee chairmen sleepily stumbled into S-2. With the help of Suzy's coffee and doughnuts we accomplished wonders and made plans for an eventful senior year.

Responsibility for the activities of the entire senior year was shared by many committee chairmen: Charity Kenyon compiled the Student Directory; Tom Hamlin and Peggy Kerrigan slaved on our winning Float; Randy Weyeneth edited football programs.

Other chairmen worked on these activities: Dana Sassone headed game concessions; Sherry Cooley sold licorice; Sally Mays baked banana bread; Randy Warner picked mistletoe; Cathy Sodestrom peddled basketball programs; Zanny Moulton was in charge of the Senior Ball; Jim McDonald and Jean Nelson worked with the Parents Club on the Senior Banquet; and Gordy Massie and Debbie Thompson planned our last activity—the All-Night.

The council has been well advised by Mr. Sanford and Mr. Grant.

Chosen For Excellence

Because of a wealth of talented seniors this year, the faculty found it difficult, in most cases, to limit their selections of individuals who excelled in various fields of study. The Mirada is proud to present its own hall of fame, chosen by teachers who have worked closely with these students for four years.

Rally Committee Spurs Activity

Because rallies were optional this year, Rally Committee had an unusually difficult task. Under the leadership of Rally Commissioner, Sharon Medcraft (right), the committee did an outstanding job. New ideas were: to have a central theme for each rally and to have club membership changes during the year. Membership was expanded to forty. These spirit promoters are pictured below.

The many jobs handled by Rally Committee are divided among several sub-committees which include car caravan, Matador, goal post, pom pom, posters, script, money-making, publicity, tickets, and AV committees. The club sponsor is Mr. O. McCain.

Script Committee: G. Thompson, A. Powell, C. Copenhagen, S. Thomas, J. Jonte, L. Campbell, D. Wilson, D. Jonte, C. Foster, K. Peterson, D. Stoy, G. Ford, J. Seabury, P. Stanley, D. Brown, S. Hillis, D. Lohse, W. Erickson, R. Booth, L. Nielsen, S. Weirick

Publicity Committee Ballyhoos

This year Publicity Committee was established to publicize all school activities except athletic events, which Rally Committee announces. The efforts of Publicity Committee have created greater student interest in activities on our campus.

Headed by Marcia Wilson, Publicity Commissioner, the committee paints banners, silk-screens posters and creates displays in the C-2 showcase. The group is composed of thirty members who are chosen on the basis of a written application in which they demonstrate originality of ideas.

Publicity Committee is off to a great start and has already proved itself an asset to Miramonte.

Cuadrilla officers are Pat Pedersen, President; Jeff Cairns, Vice-President; and Suzette Hall, Secretary-Treasurer. The club has grown to 30 members this year. Advisors for the club are Miss Giddings and Mr. Campbell.

La Cuadrilla, whose purpose is to foster pride in Miramonte, undertakes service projects for the school and community.

The club raised money for the Sioux Indian Reservation by the Dance of the Calumet. It sponsors free tutoring for Miramonte students in most academic subjects. The club also tutors underprivileged children in Richmond. Cuadrilla maintains the trophy case in the gym and has a representative on the campus litter commission.

This fall, Cuadrilla repainted the Miramonte sign in front of the school. Its members ushered at Freshman Orientation Day, Back-to-School Night, and the all school play.

Every girl at Miramonte is automatically a member of **Girls' League**. Officers and a representative from each class are elected each year to work with the advisor of the group, Miss Giddings. Officers this year include Diane Davenport, president; Lynn Clark, vice-president; Kyle Hodges, secretary. Freshman representative is Cally Thompson; Sophomore, Corrine Rosenthal; Junior, Joyce Tussey; and Senior, Cindy Harris.

The main function of Girls' League is to arrange Big and Little Sister Day in September. All Freshmen and new girls are assigned to a "Big Sister" with whom they eat lunch, enjoy "girl talk" and ask any questions they may have about Miramonte.

Dance Committee Rocks And Rolls

Left to right: Linda Runo, Rick O'Hare, Jane Pixley, Gary Dunsmore, Cathy Crandall, Ken Langan, president, Tom Thomas, Kelly Thompson

The Parents' Club Dance Committee is composed of two students from each class. This group organizes and carries out all the dances after home football and basketball games; this year they also sponsored the carnival dance. The lower classes rotate the jobs of making posters and selling refreshments and tickets. Seniors are responsible for obtaining the bands.

Ken Langan is president of the committee; Mrs. Runo from the Parents' Club advises the group.

American Field Service Promotes World Friendship

Interview with Bruce

Question: Where did you live in Finland?

"In several places—among them Kalmiranta, about 30 miles from Helsinki, and Lapeenranta, a country home about 200 Km. northwest of Helsinki, near the largest lake in Finland. This home was filled with old country furnishings such as a spinning wheel, wooden utensils, and a red brick oven."

Question: Will you describe your host family?

"There were the parents, of course, and my two sisters, Eva 10, and Kati, 15, and my brother, Karl, 16."

Question: What were some of your new experiences?

"I was introduced to eating crayfish, raikka, leipps (black bread), red whortle berries, reindeer meat, fish eggs, and thick cherry soup (not a dessert). I waterskiied for the first time and had my first experience with a sauna, on the traditional days, Wednesday and Saturday."

Question: Did your host family have any questions about America?

"I cleared up some of their misconceptions: Orinda is not near Hollywood California is not always sunny. Politically, people in Finland are very well informed. Assassinations and the war in Viet Nam were the primary reasons for U.S. unpopularity."

Question: Is there anything else you would like to say?

"AFS taught me a lot about myself. It was a learning experience not only for me but for those with whom I came in contact."

Bruce Stewart

In January of last year I arrived in Johannesburg and began my memorable twelve months' stay in South Africa. I was lucky to have two fabulous families. My English-speaking family live on a 6000 acre farm about 120 miles south of Jo'burg. I attended a convent boarding school about 60 miles away with one of my sisters. During the last half of the year, I stayed with an Afrikaans family in the large coastal city of Durban, the Miami of So. Africa. My Afrikaans sister and I attended a large government school where all classes were taught in Afrikaans, the second official language of the Republic. After spending Christmas with our families, the 24 AFS'ers in So. Africa took a 3 weeks' bus tour of the country. Some of the highlights of my stay were going on a safari, trailing lion, going down in a gold mine, and holding a 127 carat diamond from one of the mines.

The AFS program has given me a fabulous opportunity to live in another country and understand the people and customs better. What a wonderful way to promote peace and understanding among nations!

Becky Houlette

Becky Houlette, AFS student from Miramonte, with her host family, the Crookes, at their home near Johannesburg, South Africa.

An evening with John and his host family, the Thieles.

Barbro with her American family, the Halls.

Since school was open last fall the only thing that really fascinated me is when the students discussed about Miramonte's strict policy. To me Miramonte is very liberal with its policy compared to Hopwood in my home country, Saipan.

Here in America everything moves so fast. A good example is that I can't keep up with anybody who is walking with me. I have to tell him or her to slow down. You all walk too fast.

One thing I really dislike and can't stand is that this school is very cliquy. But over all I am very much impressed with the competitiveness at school.

John R. Sablan

On the 13th of August 1968, I arrived in San Francisco after a twelve day trip from my home city, Gotheburg, in Sweden. The trip was the beginning of my fantastic AFS year. By living here in Orinda I have been able to see a part of American life from the inside. I've, for the first time in my life, tried to water ski (notice, "tried to"). And believe it or not, though I'm from Sweden, I've snow skied here for my first time. In my memories from this year, I'll always have my great family and all my friends here at Miramonte. All these people made it easy for me to feel at home and helped me to make this year such an unforgettable experience. I hope to see you in Goteborg sometime.

Barbro Lauri

The American Field Service was established in 1914 to promote world peace and understanding through exchange students. The Miramonte chapter of AFS has grown to over 200 members, who this year had an opportunity to see slides which brought closer life in Brazil, Finland, Sweden, and Saipan. On Halloween night the group enjoyed potluck dinners in several homes, later carrying out a very successful fund drive. Exchange students from our district were invited to Miramonte chapter's Christmas party. Francisco, from Spain, and Jean, from England, attended Miramonte during Exchange Week. The officers who have worked hard on the year's events are Zanny Moulton, Bruce Stewart, Mindy Hennigh, Charity Kenyon, Phyllis Rosenthal, Patty Reynolds, and Debbie Kirk. Mr. Fridell is the club's sponsor.

Les Membres du Club Français Sont Ensembles

Les visages

Le Club Français presents French culture to students through many activities. This year, members sold French pastry at noon sales. In the fall, members went to the Basque Hotel in San Francisco; French cuisine was served and the waiters spoke French. During the holidays, the club held its annual Christmas party where members sang carols in French. Led by President Suzette Hall, the 28 French Club members are sponsored by Miss Weed.

Becky Houlette and Barbro Laurie aiment le pain délicieux.

Der Deutsche Verein Sticks Together

Miramonte's German Club, **Der Deutsche Verein**, attracts students interested in the German language and Kultur. In the fall, the club attended a film, **Die Brücke**, at Diablo Valley College. Members also enjoyed a taffy pull held at the Pragers'. The German Club has held cake and bread sales to raise money for its activities centered around German cultural events in the Bay Area. Sponsored by Mr. Ira, the club has 33 members and is led by President Krista Lininger.

Herr Ira macht mit Plombenziehergeist.

Latin Club Romanizes Miramonte

Latin III and IV poses major problems, but not for Mrs. Calhoon.

Latin II poses intermediate problems.

Members enjoy dinner at Mrs. Calhoon's house.

The purpose of the Latin Club is to give Latin students a more meaningful understanding of Roman language and life than can be obtained from books. Always one of the largest groups at Miramonte, the Latin Club has more than 75 members this year. The Club President is Janet Ward, and the sponsor is Mrs. Calhoon.

A hand-crafted chariot was the Latin Club's entry in the Football festival this year. Another example of members' talents was the Christmas door decoration that won honorable mention in the contest sponsored by ICC. In March, the club journeyed to Fresno for the annual California Junior Classical League Convention, and in April, members enjoyed the traditional Roman Banquet.

Latin I poses elementary problems.

Spanish Club

Se Divierte Mucho

One of Miramonte's active language clubs, the Spanish Club has sponsored several festive activities this year. Members enjoyed a dinner at Señor Picós in Ghirardelli Square and a piñata party during the holiday season at the Spanish Christmas dinner. Members also went to see the Ballet Folklorico in February. Throughout the year, members raised money through noon sales for the Christian Hacienda, an orphanage in Mexico. The 34 Spanish Club members are sponsored by Mrs. Nicholas.

Spanish Honor Society Stands Out

The 28 members of the Spanish Honor Society are recognized as outstanding students who have earned a B+ average in the language and who are in third, fourth, or fifth year Spanish. Sponsored by Mr. McGhee and led by President Kerry Juchau, the club enjoyed a seminar trip to Monterey this year, using money that members raised through cup-cake sales and a bottle drive. Members also took a field trip to the Ballet Folklorico

during the winter.

Pictured above: Standing: Bill Leonard, Kerry Juchau, Gail Thompson, Jim Martin, Ed Riddell, Debbie Hecathorn, Joanne Smyth, Julie Conyers, Mike Fuerst, Anne Shabel, John Sechini, Linda Hays, Charity Kenyon, Pat Pederson, Mr. McGhee, sponsor. Seated: Alison Everett, Colette Kersten, Marylee Eldred, Suzy Kallo, Sherry Iventosch, and Nancy Banker.

Block M Honors Athletes

Block M recognizes all Miramonte lettermen in athletics. The group sponsors such annual activities as the Block M dance and the Ugly Man Contest and manages popcorn sales at home football and basketball games. Block M sponsored various sports movies during the year. Members suggested the idea of a Block M display in the "C" building to promote student body awareness of athletic

achievements of deserving teams and individuals at Miramonte.

The club's sponsor is Mr. Yaich. Officers include: Chuck Manuel, President; Jim Horning, Vice-President; Dennis Linnekin, Secretary-Treasurer; and John Jessup, Sergeant at Arms. The club boasts 72 members.

Soccer Club Gets Its Kicks

This year, membership in Miramonte's fantastic Soccer Club grew from last year's 35 to an enthusiastic 87. The club has set up teams to play other soccer clubs in the area. Although soccer is not yet an FAL sponsored sport, a league has been formed so that other clubs in the area may participate in a tournament.

Members have raised money to purchase uniforms and goal posts, and Mr. McGhee, the club sponsor, has coached practices and games on his own time. The club was organized by Mr. McGhee in response to the interest of Miramonte's 1968-1969 foreign exchange students and the many enthusiastic soccer players on campus.

GAA Officers Direct Girls' Sports

GAA co-ordinates all girls' sports at Miramonte. The group is headed by officers Sarah French, President; Sally Fuller, Secretary; and Kathy Bromley, Treasurer, all pictured at left. Missing is Alane Powell, Vice-President. The club sponsor is P.E. Department Chairman, Miss McPheeters.

Girls' sports at Miramonte include hockey and swimming in the fall, basketball in the winter, and tennis and badminton in the spring. Girls interested in a particular sport participate through GAA during any season, making the number of active members in GAA flexible. This year, GAA boasted championship teams in basketball and swimming and excellent hockey and tennis teams.

Game Management Is On the Ball

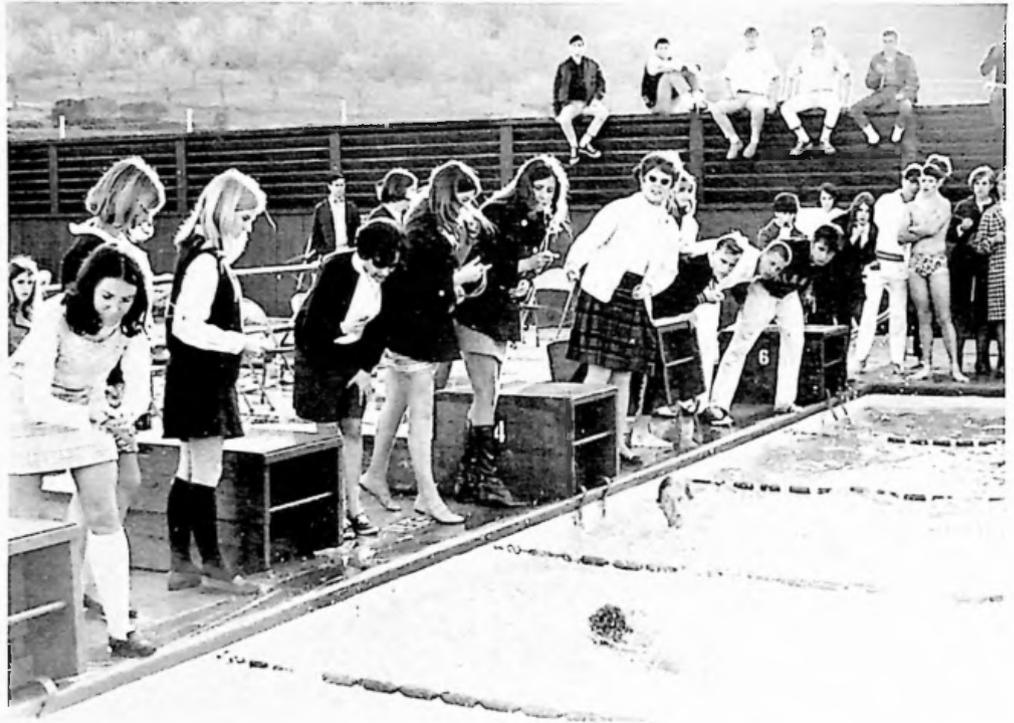

The 10 members of Game Management help to plan, co-ordinate, and manage athletic events. Game managers take tickets at the door, usher at home games, and help to supervise gate and field areas. Bill Preston is president of the group this year, and Mr. Scott is the sponsor. Club members include Jamie Guzzo, Jim Barkelew, Scott Volker, Bob Parent, Lee Fairchild, Steve Pickett, Gary Driscoll, John Holmgren, Jeff Coult, and Jim Fogarty.

Timers Are When It's At

The Timers' Association aids the coaches in making Miramonte's athletic events run more smoothly. The club is led by President Cindy Richards and sponsor Mr. Lewis.

Whether it's a chilly winter afternoon or a warm spring day, Miramonte's energetic timers are there to help manage the official work at sport events. Timers worked at water polo games and wrestling matches this year, tabulating scores and fouls. During the spring, they were a tremendous help in running both swim and track meets. Girls in Timers' can enjoy the excitement of front-row viewing while they help officials and coaches keep the meet going at a smooth pace.

Other activities of Timers' this year included selling refreshments at the home swim meets and selling snow-cones at the school carnival.

A. V. Turns On And Lights Up

Audiences at all assemblies, dances, rallies, plays, and concerts are electrified by the lights and sound effects provided by the Audio Visual Club. This club also manages the P.A. and scoreboard equipment for all athletic events. Officers are: Gary Ford, President; Mike Fuerst and Jim Weyeneth, Vice-Presidents; and Ron Paul, Secretary-Treasurer. The club's sponsor is Mr. Cappa.

Drama Club

Roles Through The Year

Drama Club this year has contributed to the growth of a fine department. It has offered excellent productions of **Hay Fever**, **An Evening of One Act Plays**, and **Gigi**, all unusually entertaining and presented in a professional manner.

The Drama Club also sponsored a MAD production and several field trips to ACT.

Officers who have directed this large club of 84 members include George Chapple, president, and Peggy Kerrigan, vice-president and secretary-treasurer. The Drama Club welcomes their new advisor, Mrs. Hess, an experienced and stimulating drama coach.

"George, if you ever steal my scene again..."

At curtain call are Lynn Campbell, Victoria; Lisa Angelo, Aunt Alicia; George Chapple, Gaston; Laurie Nelson, Madam Alderez; Francie Combs, Gigi's mother; and Sydney Winsor, Sidone.

"Come on you guys! Gigi, smile!"

Final preparations culminate in amusing performance of *Gigi*. Top: Claire applies makeup to Laurie; Lynn, as *Gigi*, gives outstanding performance aided by Lisa, George, Francie, and Laurie.

Not all the work is done by actors; much is done behind the scenes, rehearsing, polishing, and finally, performing. Top: L. Nelson, F. Combs, and L. Cogan. Center: Mrs. Hess, G. Ford, F. Combs, C. Copenhagen, L. Nelson. Bottom: L. Angela and G. Chapple.

Art Club Makes a Pretty Picture

Art Club provides an opportunity to enjoy and appreciate art and to participate in art-oriented activities. Making "metallic" jewelry was the group's first project this year. Later, with Cuadrilla, Art Club painted the Miramonte sign. On an all day excursion to Sausalito, members

sketched, painted, explored, and shopped. For MAD, the club sponsored Mrs. Dean, an enamelist and Mrs. Holmes, who demonstrated Oriental painting. In April the club toured a stained glass window studio and enjoyed dinner in San Francisco.

Guitar Club members enjoy an informal gathering with music by candlelight at the home of Madeline Prager.

Musical togetherness with President Carol Bittner.

Guitar Club members meet informally during the year to enjoy folk songs and ballads. Members play guitars, banjos, mandolins, and harmonicas. Membership is flexible; any interested student may attend the monthly meetings. This year, members of the Guitar Club went to hear Judy Collins at the Berkeley Community Theater; they also held a Christmas party for old and new members.

Eve Kermit and Carol Bittner were first and second semester Presidents, respectively. Mr. Husband is the club sponsor.

Octavia Sings Out

Octavia, Miramonte's music club, encourages student interest in music of all kinds. During the year, members enjoyed musical programs and activities which involved various areas of music. In the fall, members took a field trip to San Francisco where they had dinner at the Spaghetti Factory and then attended the San Francisco Symphony.

Pictured at right is club president Karol Paterson. Below, grouped around Kathy Campbell at the piano, are Karol Paterson, Sue MacDonald, Madeline Prager, Debbie Krabacher, Chris Dausman, Mindy Serr, Mr. Reuter, sponsor; Ed Price, and Scott Paterson.

A cappella Represents Miramonte in Melody

A cappella, Mr. Reuter's 6th period class, enhances Miramonte's music department. Members practice for concerts held during the year and sing at public service functions in the community. Students interested and talented in vocal music audition for membership in the group. Pictured below, members of A cappella perform at the Christmas Concert held on December 10.

Orchestra Blends Musical Talents

The Miramonte Orchestra, under the direction of Mr. Hal Reuter, is composed of twenty members this year. The orchestra performed in a Christmas Program on December 9 and in a Spring Concert on April 18. Playing a wide variety of music, the orchestra ranges from Bach to Simon and Garfunkel to contemporary classical composers. Any musician with enough background in music to play an instrument may join the orchestra for four years in high school.

Pictured are musical sections which include strings, woodwinds, brass, and percussion. Far right, J. Baylis and J. Bridges practice on the strings. Right, C. Cooper beats the drum.

Woodwinds: M. Leftwich, M. Hopkins, F. Eberle, L. Aughenbaugh, J. Ward, E. Witt, L. James

Brass: G. Madsen, S. Mason, W. Mart

And the Band Plays On

The Miramonte Band plays enthusiastically at all football games under the spirited direction of Randy Warner.

M. Rodriguez toots the sousaphone.

The Miramonte Band, directed by Mr. Hal Reuter, has forty-five members this year. The Band plays at all football games and presents interesting half-time shows under the lights. Led by student director Randy Warner, the Pep Band plays at all basketball games. This year the group participated in the Cal Band Day and in the Concord Parade in October, in the Pops Concert in March, and presented a Spring Concert in April. Any interested student who can play a non-stringed instrument may join the Band.

Medical Club Probes Future Careers

The purpose of Medical Club is to encourage students who are interested in medicine as a profession. In November, the club attended the Health Science Fair in San Francisco where members heard speakers and gained information about medical specialization. With the assistance of Mrs. Young, one of the advisors, the club showed movies during lunch hours. In March, the club toured the Merritt School of Nursing in Oakland.

President Patti Reynolds, Vice-President Bruce Johnson, and Secretary-Treasurer Cheryl Peake directed the club's activities this year. Mr. Otis McCain is another avid sponsor of the club.

Biology Club Explores Mendocino

Seeing eye-to-eye with sea life?

The Biology Club provides an opportunity for students to expand their interest in the natural sciences. Members sold concessions at noon sales and during basketball games to raise money for their unique three-day field trip to Mendocino this year. There, participants studied the ecology of the coastal environment.

Jud Peake co-ordinated the activities of this large club. He was assisted by his sergeant-at-arms Krista Lininger, vice-president Rick Lewis, and secretary Ailen Le Protti. The advisor for this energetic club is Mr. Kyner.

Mountaineering Club Gains Altitude

A new organization at Miramonte this year, the Mountaineering club is already one of the most active groups on campus. Created to promote interest and to provide experience in rock-climbing and backpacking, the club has sponsored numerous weekend activities. These activities include practice climbs at Indian Rock and the Pinnacle in Berkeley as well as expeditions to the Pinnacles National Monument, Castle Rock in Palo Alto, Yosemite Valley, and Echo Summit. Members learn basic knot-tying and mountaineering terminology as they gain experience.

The club boasts 33.6 enthusiastic members, according to calculations made by one active member, F. Sigworth.

Officers are: Roy Miller, President; Paul Stanley, Vice-President; Francy Leftwich, Secretary; and Matt Conover, Quarter-master. The club's sponsor is Mr. Husband.

Electronics Club Conducts Unique Projects

Balloons, Anyone?

President Harold Hallikainen directs balloon sale.

One of Miramonte's most unusual clubs, the Electronics Club, has undertaken various stimulating projects during the year. The group sponsored an unusual contest to raise money. Helium balloons were sold at noon to the student body, and the owners of the five balloons that traveled the farthest won the new Beatles double album. The money raised was used for equipment and projects. One of the most fascinating plans involved building a TV camera. The Electronics Club advisor is Mr. F. R. Davis.

Chess Club Plans Strategy

Chess club members meet every week to match wits against each other and to practice for chess tournaments held during the year. Advisor Mr. Fridell plays along, too.

Mirador Presses On With the News

Miramonte's bi-weekly newspaper, the Mirador, reports news and features topical columns and articles centering on student activities on campus. The Mirador focuses on sports events, major class projects, senior personalities, and student government action. The newspaper is distributed on Friday and is free with a student body card. At right, Editor Jon Baylis and staff members Bonnie Roosma and Greg Hastings discuss Mirador matters. National Merit Semi-Finalists Cut the Mustard

Fred Sigworth
Jeff Brody
Sally Ferguson

The National Merit Scholarship Program recognizes top academic students all over the country. Any interested student may take the National Merit Qualifying Test in the spring of his junior year and become a Semi-Finalist on the basis of his score. The National Merit Scholarship Corporation determines a cut-off point, which varies from year to year, and students who receive scores above this mark become Semi-Finalists, ranking in the top two percent of the nation's participants in the qualifying test. Finalists are chosen on the basis of their academic record in high school, their extra-curricular activities, and their college board scores. As Finalists, the students are considered for \$1000 Merit Scholarships for one year at the college of their choice or for letters of commendation. Miramonte's total of seventeen Semi-Finalists led the Acalanes School District this year. We are proud of these kids!

District' Administration Sets the Standards

Board of Trustees, Seated: Don Galloway, Dr. Ian Johnston, and Mrs. Alla Knudsen. Standing: William Whitmer and Walter Treanor.

We would like to welcome Mr. Galloway, the new Board member, who has taken the place of the now retired William Lee.

Mr. Lewis Globe-Trots

This has been an exciting year for Mr. James Lewis, principal at Miramonte. The first semester was spent organizing a move into a new Administration Building; the latter half was spent on a six-month sabbatical leave during which he observed innovative teaching methods in four western states and in Portugal, Spain, and Russia.

Mr. Lewis hopes to bring back information on the newest methods in flexible modular scheduling, small group instruction, independent study, and the pass-fail grading system.

He left his responsibilities at Miramonte in the capable hands of Acting Principal Robert Callan and his own indispensable secretary, Mrs. Olson.

Assistant Principals Are Devoted to All of Us

Miss Naomi Giddings, who has been at Miramonte since the school was built, taught English here before she assumed administrative duties, first as Dean of Girls, and now as Assistant Principal. She is now enjoying her new office in the recently completed Administration Building. This year, Miss Giddings has initiated a new tardy procedure and a new attendance system that will expedite the clearance of returning absentees.

Miss Giddings is an inveterate traveler. Every other summer, she takes off for foreign lands, rents a car, and really meets the people of the country. This summer she will be in Spain, Portugal and France.

Mr. Robert Callan is another Assistant Principal at Miramonte. Experience and success in administrative work have led to a new position for him here, that of Acting Principal in Mr. Lewis' absence. Although boys at Miramonte sometimes view Mr. Callan as a disciplinarian, he is much more. He counsels many students, providing a human link between what may often seem an impassable barrier between student and administration.

Before he came to Miramonte, Mr. Callan taught in Fort Bragg, where he taught Advanced Biology, Senior Problems, and Sex Education; and coached the school's football, basketball and baseball teams to championships. He hopes to live in Fort Bragg when he retires.

Pilots New Student Activities Department

"The Best of Two Worlds" . . . That is the way Mr. Campbell describes his new position as Vice-Principal in charge of Student Activities at Miramonte. Six years ago, Mr. Campbell taught Chemistry and Biology in the classroom, an experience which was very satisfying to him. Wanting to work more closely with students, he became the instructor of Leadership Class, which was created, at the suggestion of Mr. Callan, to train students in Student Government.

Mr. Campbell feels that one of the basic tenets of the public education system in the United States is that schools should educate the "whole child" with a combination of academics, a physical fitness program and extra-curricular activities. Mr. Campbell believes that the balance between these three is now almost ideal at Miramonte.

Miramonte is the first school in the Acalanes District to create a Student Activities Department. Visitors from other high schools in the area who have visited Miramonte were impressed with the physical set-up of the new Student Activities Office, where Mr. Campbell now heads operations assisted by his invaluable secretary, Mrs. Bishop.

Mr. Campbell, with his wife and three handsome children, enjoys a new home in the Moraga Valley. In addition to his busy life in school and at home, Mr. Campbell stays in top physical shape by jogging, a program which he introduced to this area. The idea caught on, and Mr. Campbell and his fellow athletes now welcome the sunrise three times a week as they jog from Miramonte to Moraga and back.

Miramonte grows—and each year, with a larger student body, counselors face increased responsibilities.

This year the department has withstood the confusion of moving into a new Administration Building, without a single casualty.

Besides offering understanding, guidance and Kleenex for tearful moments, each counselor has special assignments: Mr. Hunt talks to the parents of all new students and is responsible for programming the curriculum. Mr. Anderson and Mr. Tutton bring college representatives to the school, obtain financial aid in scholarships and administer the testing program. The summer school program and career night are Mr. Underwood's special province.

Mrs. James and Mrs. Wilson really run the Counseling Office, but the Counselors haven't discovered yet who keeps them in line!

Behind the Scenes

The Beat Goes On

Besides an expansion of campus facilities this year, we have welcomed additions to our non-certificated personnel. We now have a full-time nurse, Mrs. Betty Young, who maintained a health office for the students in spite of problems of moving from C-2 into the new administrative wing. Mrs. Young has brought to the campus various speakers and movies concerned with health.

New, too, is Mrs. Sisty, Clerk-Typist (above), who has set up her desk in the Faculty Workroom to help teachers with typing and the operation of business machines. Mrs. Blair, Textbook Room and Library Clerk (above right) has taken Mrs. Condeff's place in G-I. Mrs. Warner, Teachers' Aide, (right) supervises Study Hall and Cafeteria "activity"; and Mrs. Cook, Teachers' Aide (far right) supervises Study Hall.

September, 1965—June, 1969

Dear Fred,

We knew you wouldn't write the customary Editor's note at the end of this yearbook, so we're writing one—to you.

Once in a great while someone like you comes into a school and leaves a great void when he goes. Those of us who have taught you have been challenged to do our best teaching because you were in the class. Those of us who have worked with you have learned from you—honesty, responsibility, patience, tact, self-effacement, a standard of perfection that you met yourself and demanded of us. Jokes were funnier when you laughed; deadlines were easier because you were always there to finish the pages we found impossible. Sometimes you retreated to your ivory tower, but we knew you'd join us again when your problem was solved.

Thanks for all you've done for Miramonte. We say goodbye and good luck, with the sure knowledge that you'll make us all very proud someday.
